And that's how he never frets
About things he'll never get.
All he needs to know is that
We're not alone here.
And that's how he never frets
About things he'll never get.
All he needs to know is that
We're not alone here.
And that's how he never frets
About things he'll never get.
All he needs to know is that
We're not alone here.
And that's how he never frets
About things he'll never get.
All he needs to know is that
We're not alone here.
And that's how he never frets
About things he'll never get.
All he needs to know is that
We're not alone here.
And that's how he never frets
About things he'll never get.
All he needs to know is that
We're not alone here.
