"Where The Humans Eat"

Why won't you listen
When I speak?
Why won't you listen
When I stamp my feet?

You don't belong
Where the humans eat
You don't belong
Don't belong to me

I have been working
All fucking day
You lie there sleeping
Your life away

You don't belong
Where the humans eat
You don't belong
Don't belong to me

I just fed you
And your fat brother
So why are you now
Still yelling at me? Me

You don't belong
Where the humans eat
You don't belong
Don't belong to me

You don't belong
Where the humans eat
You don't belong
Don't belong to me
