The sound you hear is the knife cut
Switchblade Serenade
The sound you hear's the knife cut
Switchblade Serenade-CUT

I gotta wicked woman
Woman got a vicious tongue
Late at night I come home a little drunk
And we go one on one

Sittin' in the kitchen listenin' to your bitchin'
Every night of my life
You made this home a combat zone
You cut me like a knife
Woman you're tougher than leather
You make it hard on me

We got problems baby that's okay
Cause I'm still lovin' you anyway
If we put down our weapons for just one night
Maybe we can make it right
But we just fight about it

Tell me I'm wastin' my money
Tell me I'm wastin' my time
Hangin' with trash spendin' my cash
On cheap talk, whiskey and wine
You just ain't the same girl
Same girl I used to know
Love and hate seem to be our fate
And it cuts me to the bone

Woman you're tougher than leather
You make it hard on me
We got problems baby that's okay
Cause I'm still lovin' you anyway
If we put down our weapons for just one night
Maybe we can make it right
But we just fight

Chorus

The sound you hear is the knife cut
Switchblade Serenade
The sound you hear's the knife cut
Switchblade Serenade
