There's a hole in the world tonight
There's a cloud of fear and sorrow
There's a hole in the world tonight
Don't let there be a hole in the world tomorrow.

They say that anger is just love disappointed.
They say that love is just a state of mind.
But all this fighting over who will be annoyed
Oh how can people be so blind?

There's a hole in the world tonight
There's a cloud of fear and sorrow
There's a hole in the world tonight
Don't let there be a hole in the world tomorrow.

Oh they tell me there's a place over yonder,
Cool water running through the burning sand.
Until we learn to love one another
We will never reach the promised land.

There's a hole in the world tonight
There's a cloud of fear and sorrow
There's a hole in the world tonight
Don't let there be a hole in the world tomorrow.

(There's a hole in the world tonight)
They say that anger is just love disappointed.
(There's a cloud of fear and sorrow)
They say that love is just a state of mind.
(There's a hole in the world tonight)
But all this fighting over who will be annoyed
(Don't let there be a hole in the world tomorrow)
Oh how can people be so blind
