Love's passed by and left me here  
You're so far away, and time's brought on a change  
Through these eyes that never see  
Photographs of you and me  
A perfect picture-  
Of what could never be  
God in Heaven  
Don't waste your time or tears on me  
Cause I'm too far gone  
I don't need sympathy, oh  
God in Heaven...  
I'll tell you why I've grown so cold  
It's the things that I've seen  
Through these eyes  
This cold world turns again  
I drown myself in sin  
Sinking deeper now,  
The lights they grow so dim  
And through these eyes all is black  
And it's too late for turning back  
I'll be leaving soon and  
Time won't heal these wounds  
God in Heaven  
Don't waste your time or tears on me  
cause I'm too far gone  
And I don't need sympathy, no  
God in Heaven  
I'll tell you WHY I've grown so cold  
It's the things that I've seen  
Through these eyes  
So tell me why, tell me why  
I've been ripped apart  
and left here to die  
Crimes of Love  
Crimes of Hate  
It's not too late if you take a look around you  
Well there's got to be an answer  
Now I ain't playing your fool  
Ooh so just give me what I'm after  
Cause when all I see is pain  
In a world full of lies,

I wish that I could never see a damn thing  
Through These Eyes  
No, no, no  
God in Heaven  
Dont waste your-  
Waste your time on me  
Cause Im too far gone and I dont need sympathy, no  
no  
GOD in Heaven  
Let me tell you WHY  
I've grown so cold  
It's the things that I've seen..  
Through these eyes...
