You got me runnin' baby

You give me somethin' way beyond revenue

You put the magic in me

I feel the magic when we do what we do

And oh...

I can't do without you for too long...you're my situation

You're my kinda lover...

You keep me all together

You take me out whenever I'm lettin' down

You got the motions baby

I got a notion maybe I'll stick around

And oh...

I can never doubt you for too long...I can't see no
reason

You're my kinda lover...

When you come 'round I never get down---I fly across
the floor

I can see you comin' on me...and I can't ask for more

Rock me, sock me, baby you got me ridin' to the end

Rake me, shake me, baby you make me--turn me on
again

You got my motor racin'

I find my thoughts embracin' your every move

I wanna set you reelin'

I wanna make you feel the way that I do

And oh...

I been thinkin' 'bout you for so long

I don't wanna lose ya--you're my kinda lover
