I may get around...I may laugh alot...

Now you'd think that I'd be happy with the life I got

Nobody knows...nobody sees

Ain't nobody really knows the inner side o'me...

I may seem secure...I could have it made...

You might think you see a lucky man who made the grade

Nobody knows what dreams I see

Ain't nobody really sure just who they wanna be...

But everybody has a place and time...

A chance to live...a need to find

We all got somethin' that we care about

I propose you find it out...

It's not in a book...or a magazine...

Or the stars who guide our fortunes on the silver screen

Nobody knows...it's up to me

Ain't nobody who can say it like it ought to be...

I see my future at the rainbow's end

Happy hours...timeless friends

And if I ever chance to find my way

Rest assured...I will stay...

You may see your life as a compromise

You may live to find the promise dancin' in your eyes

Nobody knows...it's meant to be...

Let the magic of the moment say it all to me

(Dedicated to the life of John Lennon)
