You know I love you.

I can't be without you.

When I'm alone, I still feel this way about you.

Everything's clear

Here is here

And everything is as it appears to be so

Here am I dreaming

I stand by myself

Look and it's easy to see, that,

I'm not the only one reaching for a new kind of wealth

Reaching with nothing to hide

And you by my side.

You know we love you

We can't be without you

When we're at home, we still feel this way about you

Everything's clear

Here is here

And everything is as it appears to be so,

Here we are dreaming

We stand by ourselves

Look and it's easy to see, that,

We're not the only ones reaching for a new kind of  
wealth

Reaching with nothing to hide

And you on our side.
