Debbie just hit the wall
She never had it all
One prozac a day
Husband's a C.P.A.
Here dreams went out the door
Once she turned 24
Only been with one man
What happened to her plans
She was gonna be an actress
She was gonna be a star
She was gonna shake that ass
On the hood of Whitesnake's car
Now her SUV has become the enemy
Looks at her average life
Nothing has been alright... since

Bruce Springsteen, Madonna
Way before Nirvana there was U2
And Blondie and music still on MTV
Her 2 kids in high school
They tell her that she's uncool
Cause she's still preoccupied
With 1985

She's seen all the classics
at least a hundred times
Breakfast Club, Pretty in Pink,
Fast Times At Ridgemont
She rocks out to Wham!
Not a big Limp Bizkit fan
Never knew George was gay
Hoped they'd hook up one day
Where's her fairy tale, where's her dream?
Where's the quarterback
From her high school football team?
Where's her fairy tale, where's her dream?
How many times will she ask herself
What happened to me?
(the rubber broke) ... When

She hates time make it stop
When did Motley Crue become classic rock
She hates time make it stop
