Love to see you whip it
Sho' could treat you right
Give me just a minute
Of your time tonight

We both are here to have some fun
Let it whip

I know you're into groovin'
Love your body language
Baby, let me know
You've got me sort of anxious

We both are here to have some fun
Let it whip

(Let it whip)
Whip it baby
(Child)
Whip it right
(Let it whip)
Whip it baby, whip it all night
(Well, what's your trip?)
No no
Child
Let it whip
(C'mon whip)
(Cmon whip)

Now that you can see
How you groove with me
What else can I do
To get closer to you

We both are here to have some fun
Let it whip

Wanna see you movin'
Love your body language
Let me be your paper man
I'd love to be your at your command

We are here to have some fun
Let it whip

(Let it whip)
Whip it baby
(Child)
Whip it right
(Let it whip)
Whip it baby, whip it all night
(Well, what's your trip?)
No no
Child
Let it whip
(C'mon whip)
(Cmon whip)

There is no time to lose
You're the one I choose
You're so right for me
Can't you see that I
Won't waste your time
Sense something divine
Divine in you
Yeah I do

(Let it whip)
Whip it baby
(Child)
Whip it right
(Let it whip)
Whip it baby, whip it all night
(Well, what's your trip?)
No no
Child
Let it whip
(C'mon whip)
(Cmon whip)

(Let it whip)
Whip it baby
(Child)
Whip it right
(Let it whip)
Whip it baby, whip it all night

(whip it baby)
(whip it right)-acapo
