"Deep"

I want to have a conversation
I want to ask you every thing
I want to walk in the garden
I want to hear the angels sing

Oh yeah
If I could, you know I would
I would understand

As far as it is deep
As far as it is wide
Love eternally
Simply lost in time

I want to see the seven wonders
I want to watch Moses part the sea
I want to see the second coming
When we all fall to our knees

Oh yeah
If I could, you know I would
I would understand

As far as it is deep
As far as it is wide
Love eternally
Simply lost in time

Some say seeing is believing
Some have faith never ending
Yeah
