"Go On"

Visit "[Go On](#)" on MotoLyrics.com

See the world open up to you

Lift your head

And march right on through

Up and down it's a roller coaster ride

It twists and it turns

Oh you know, that's life

Take a deep breath and drink it in

Cause you were made for such a time as this

Go on (a time as this)

Go on (a time as this)

Go on

Here you are look over tomorrow

Feel the wind at your back

Pushing you on so go on

In the evening when the day is done

If you find yourself all alone

And home seems like a million miles away

If you need me just call my name

If you need me just call my name and

Go on (call my name)

Go on (call my name)

Go on (just all my name)

Go on (call my name)
