"If I Could"

I've never seen a shade of blue
Like the one I see in you
If I could I would
Take the blue and paint your sky
To wipe away the clouds inside
If I could I would

If I could I would
But I can't so I'll try
To make you laugh if you cry
I'd give it all away
Just to see a smile on your face

If I saw a shooting star
I'd wish that I could mend your heart
If I could I would
Build a ship, we'd sail away
If that could ease your pain
If I could I would

If I could I would
But I can't so I'll try
To make you laugh if you cry
I'd give it all away
Just to see a smile on your face

If I could I would
But I can't so I'll try
To make you laugh if you cry
I'd give it all away
Just to see a smile on your face
