I come to you in this moment
I want to seek your face
To linger in your presence
To feel the touch of grace
I want to know your spirit
I want to learn to pray
Teach me to love you and obey

In this moment
May my heart be true
In this moment
May my eyes see you
May my life be a reflection of the light of your
perfection

In this moment
Turn my mind from earthly things
That never satisfy
And give me deep devotion
For this is my desire
To honor you in all I do
To love you with my life
Oh break my heart and make my heart into the heart of
christ

In this moment
May my heart be true
In this moment
May my eyes see you
May my life be a reflection of the light of your
perfection

As I seek to find you here
Call my name and draw me near
As I pray to know you Lord
Flood my heart and make it yours

In this moment
May my heart be true
In this moment
May my eyes see you

May my life be a reflection of the light of your
perfection

My I find my true direction
In this moment
