Counting sheep  
By the light of the static  
On my  
TV screen  
I'd give anything to see your face  
Empty room  
My smoking gun  
You laughed when i said I'd make it on my own

I've got nothing left to lose  
I've given everything to you

My feet are cracked  
Blistered and bleeding  
From the broken glass  
I moved so carefully  
Through your world  
Like a hostage  
Yearning for freedom  
You thought you'd break me  
You only made me strong

I've got nothing left to lose  
I've given everything to you  
I've got nothing left to lose  
Standing on the edge of my new universe  
I can't wait to jump head first in

I've got nothing left to lose  
I've given everything to you  
I've got nothing left to lose  
Standing on the edge of my new universe  
Standing on the edge of my new universe  
I can't wait to jump head first in
