Softly, love is standing here with it's demands  
(tell me what you want from me, you want from me)  
Slowly, I think I'm letting go of all my plans  
(tell me where we're goin' to, we're goin' to)

Why, why am I afraid to give into this  
Why am I afraid?

Chorus:

This doesn't have to be love  
But it's all I can feel, it's all that I fear.  
This doesn't have to be anything at all,  
So hard to fall (from this high above)  
But do we have to call it love?

I hold back, from everything I really want to say  
(should I let my guards down, my guards down, my  
guards down)  
I don't, I don't make commitments that could break  
(maybe it's just too late, it's just too late)

I, I'm so afraid to give into this  
I'm so afraid, oh

(chorus)

Need a little time to think things through, baby  
Do I really want to give myself, give all myself to you,  
now?  
I can't believe it's happening so fast  
'cause I don't want to bring back what I left in the past,  
no.

(chorus)

So hard to fall...in love  
This doesn't have to be...love  
(love, love is all I feel...your love is what I fear)  
Love me...love me  
So hard to fall  
So very hard to fall.
