Things are looking up again, uh huh
I knew this couldn't be the end of us
We had so much to overcome
Like the perfect dose of medicine

Turn it around, turn it around
We'll try to pick up all the pieces
Turn it around, our feet on the ground
Yeah, we'll put it back together again

Did you think we'll be a casualty?
Caught up in a losing battle, so it seemed
But now that we're safe here on the other side
It doesn't matter where we go from here
There is nothing left to fear

Turn it around, turn it around
We'll try to pick up all the pieces
Turn it around, our feet on the ground
Yeah, we'll put it back together again, yeah

Turn it around, turn it around
Yeah, we'll put it back together again, yeah yeah

Turn it around, around, around
Around, around

Turn it around, turn it around
We'll try to pick up all the pieces
Turn it around, our feet on the ground
Yeah we'll put it back together again, yeah yeah
