You won't see me cry

I wish i had all you ever wanted

I'd give it right to you

But, i don't have it

How could i ever find it,

The s

Trength to let you go

'cause i don't have it

When will i have it?  
And it goes, and it goes on  
And it goes on...  
You won't see me cry  
You know i decided  
That i'm gonna pull myself together  
And find a way to fight it  
I'm gonna have to hide it  
You  
Won't see me cry  
You won't see me cry  
I've got no choice but to face it  
I have to let you know  
That i don't like it  
My love is good for someone  
And it may take some time  
But i will find him  
Why should i waste it?  
And it goes, and it goes on  
And  
it goes on...  
You won't see me cry  
You know i decided  
That i'm gonna pull myself together  
And find a way to fight it  
Even if i have to hide it  
You won't see me cry  
You won't see me cry  
You won't see me  
I finally decided  
And i found the way to  
fight it..  
So you won't see me...cry  
You won't see me cry
