Part I:

Sugar man sugar man, please come back to me (2x)
You don't know how I love you and I cannot let you be

Love you sweet man, do anything you say (2x)
Sweet daddy sweet daddy don't treat me this-a way

You got that sweet kind of sugar, make a good woman
lose her mind (2x)
If you take me back sweet daddy I'll treat you so nice
and kind

I'm so wild about your sugar, don't know what to do
(2x)
It's that granulated sugar ain't nobody got but you

My coffee must be sugared in the morning, my tea late
at night (2x)
When I don't get my sugar, baby I don't feel just right

If you see my sugar, tell him I say Hurry home
See my sugar, tell him I say Hurry home
I had nothin' sweet since my sugar been gone

Part II:

Sugar man sugar man, you got the best sugar in town
(2x)
Please don't let some other woman tear your sugar
down

Every time you leave me, I hand my head and cry (2x)
If you don't want me buddy please tell me the reason
why

Blues falling down on me, just like drops of rain (2x)
Sugar lovin' sugar to another woman and don't give me
a grain

I'm gon' tell you somethin' baby, want you to keep it to

yourself (2x)

If you don't give me all of your sugar you won't give it
to no one else

Mmmmm... want my sugar right now (2x)

Lord I want my sugar, got to have my sugar now
