Grandma, we love you
Grandma, we do
Though you may be far away
We think of you

There's no one quite like Grandma
And I know you will agree
That she always is a friend to you
And she's a friend to me
There's no one quite like Grandma
She's there in times of need
Before it's bedtime, on her knee
To us a book she'll read

Grandma, we love you
Grandma, we do
Though you may be far away
We think of you

And one day when we're older
We'll look back and say
There's no one quite like Grandma
She has helped us on our way

Grandma, we love you
Grandma, we do
Grandma, we love you
Grandma, we do

There's no one quite like Grandma
A love we always share
At party time and Christmas too
We know that she'll be there
There's no one quite like Grandma
She always has a smile
She never hurries us along
Just stays a little while

Grandma, we love you
Grandma, we do
Though you may be far away
We think of you

And one day when we're older
We'll look back and say
There's no one quite like Grandma
She has helped us on our way

Grandma, we love you
Grandma, we do
Grandma, we love you
And we know you love us too
