Daniel is traveling tonight on a plane
I can see the red tail lights heading for Spain
Oh and, I can see Daniel waving goodbye
God, it looks like Daniel, must be the clouds in my eyes

They say Spain's pretty though I've never been
And Daniel says it's the best place that he's ever seen
Oh, and he should know 'cause he's been there enough
Lord I miss Daniel, oh, I miss him so much

Oh, Daniel my brother, you are older than me
Do you still feel the pain of the scars that won't heal
Your eyes have died but you see more than I
Daniel you're a star in the face of the sky

I miss Daniel, oh, I miss him so much

Oh, Daniel my brother you are older than me
Do you still feel the pain of the scars that won't heal
Your eyes have died but you see more than I
Daniel, you're a star in the face of the sky

Daniel is traveling tonight on a plane
I can see the red tail lights heading for Spain
Oh, and I can see Daniel waving goodbye
God, it looks like Daniel, must be the clouds in my eyes
Oh, God, it looks like Daniel
