When I'm with you, I feel naked and sacred
And this world can be so cold
I wanna hold you naked and sacred
Till I grow old

What does love mean? Can love last?
I ask myself these questions, haunted by the past
I've walked these city streets, I've known victories and
defeats
Searchin', hopin', just barely copin'

Baby, I want to be good for you
I want to be true
Don't know how I'd live with myself
If I ever hurt you

When I'm with you, I feel naked and sacred
And this world can be so cold
I wanna hold you naked and sacred
Till I grow old

Since I met you, my life's changed
I feel like a bird that's been let out of its cage

Baby, I want to be good for you
I want to be true
Don't know how I'd live with myself
If I ever hurt you

When I'm with you, I feel naked and sacred
And this world can be so cold
I wanna hold you naked and sacred
Till I grow old

Your hand's healing me, your love's filling me
When you go away, your heart's still in me

When I'm with you, I feel naked and sacred
And this world can be so cold
I wanna hold you naked and sacred
Till I grow old

When I'm with you, I feel naked and sacred
And this world can be so cold
I wanna hold you naked and sacred
Till I grow old
