Evening sun
That's what you are to me
You make me feel alive and I wanna be
By your side
You're alright
And how I found you you honey I'll never know
But a part of me won't let you go
I would never never hurt you (ohahahaha)
So let me be the one to tell you (ah ha)
I can go on and on and on and on forever

Chorus

I need you to know
All I really need you to know
Is ooh your gold
All I really need you to know
Is ooh your gold

My evening sun
You are every part of me
You make me feel alive are you gonna be
By my side
Cause you're alright
And how I found you you honey I'll never know
But a part of me won't let you go
I would never never hurt you (ohahahaha)
So let me be the one to tell you (ah ha)
I can go on and on and on and on forever

I need you to know
All I really need you to know
Is ooh your gold (I need you too know)
I don't care what they say
All I really need you to know
Is ooh your gold (need you to know)
Doesn't matter anyway

Just like the sun your love always surrounds me
(ahhhhhhhhhhhhhhhhh)
Don't go down don't go away without me

Whoa

Spoken:

Theres alot of talk in speculation
About our situation
But when it comes to how I feel about you
I don't need any help
I'll tell you myself

All I really need you to know
Is ooh your gold
All I need you to know (need you to know)
All I need you to know (need you to know)
All I really need you to know (ahhhhhhhhhhhh)
Is ooh your gold (ahhhhhhhhhhhhhh)
I don't care what they say
All I really need you to know (ahhhhhhhhhhhh)
Is ooh your gold (ahhhhhhhhhhhhhh)
Doesn't matter anywa
