If I listened long enough to you
I'd find a way to believe that it's all true
Knowing that you lied, straight-faced, while I cried
Still I'd look to find a reason to believe

Someone like you makes it hard to live without
somebody else
Someone like you makes it easy to give, never think of
myself

If I gave you time to change my mind
I'd find a way to leave the past behind
Knowing that you lied, straight-faced, while I cried
Still I'd look to find a reason to believe

Someone like you makes it hard to live without
somebody else
Someone like you makes it easy to give, never think of
myself
Someone like you makes it hard to think about
somebody else

If I listened long enough to you
I'd find a way to believe that it's all true
I'd find a reason, a reason to believe (oh no)
And though I want you, you're just not what I need

Someone like you, like you
I'd find a reason to believe
I would find a reason to believe
