Open the door and come in
I'm so glad to see you my friend
Don't know how long it has been
Having those feelings again.

And now I see that you're so happy
And ooh, it just sets me free
And I'd like to see
Us as good of friends
As we used to be

[Chorus:]

Aah, my love, Aah
You're in love
That's the way
It should be
'Cause I want you to be happy
You're in love
And I know
That you're not in love with me
Ooh it's enough
For me to know
That you're in love
Now I'll let you go
'Cause I know
That you're in love

Sometimes it's hard to believe

That you're never coming back to me
I've had this dream that you'd always be by my side
Oh I could have died.

But now I see that you're so happy
And ooh, it just sets me free.
And I'd like to see
Us as good of friends
As we used to be

[Chorus]

I tried to find you but you were so far away

I was praying that fate would bring you back to me
Someday, someday, someday... Ooh, you're in love

Ooh it's enough
For me to know
That you're in love
Now I'll let you go
'Cause I know
That you're in love

[Fade]
