Was born in a funk factory, born in a funk factory  
Workin' hard like a slave, y'all, comin' up short on my  
pay, y'all  
Some men are stockers, came on the go, yeah  
But all I will see in my lifetime, y'all  
Was a bass, a drum, my funky home  
(Born in a funk factory, born in a funk factory)

Born in a funk factory, workin' like a slave  
Comin' up short on my pay  
Somebody tell me what's goin' on wrong  
All I've known to do in my lifetime  
Was to scream, gripe, grump & groan  
(Born in a funk factory, born in a funk factory)

(Instrumental)

Some men are stockers, came on the go, yeah  
But all I will see in my lifetime, y'all  
Was a bass, a drum, my funky home  
(Born in a funk factory, born in a funk factory)

Oh I'm gonna tell you  
I'm satisfied, y'all, I'm satisfied, y'all  
(Repeat & fade):  
(I was born in a funk factory)
