Engine, engine number 9  
Can you get me back on time?  
Move on, move on down the track  
Keep that steam comin' out the stack  
Keep on movin'  
Keep on movin', keep on movin'

Engine, engine number 9  
Keep on movin' down the line  
Seems like I've been gone for days  
I can't wait to see my baby's face  
Been here, been so long since I held her  
Been so long since I held her

Been so long since I held her  
Been so long since I kissed her

Engine, engine number 9  
Move on, move on down the line  
Seems like I've been gone for days  
I can't wait to see my baby's face  
Move on, move on, move on  
Got to get on, I got to get there

Oh, this soundin' alright?  
I think I'm gonna hold it a little bit longer  
I'm gonna let the boys do this a little bit

Keep on movin'  
Keep on movin', keep on movin'  
Move on, move on  
Get, get, get, get it  
Got to, got to, got to  
Got to, got to get it

Move on, Lord have mercy  
Feel alright then  
Keep on movin', keep on movin'  
Got to keep movin', gotta get  
Gotta, gotta, gotta, gotta, gotta, gotta  
Gotta, gotta, gotta, gotta keep movin'

It's alright  
Play your guitar, son

Get it  
Get it  
Get it

Feel alright  
Get me to my baby's place  
Got to hold her in my arms

Move on

Got to keep movin'  
Got to keep movin'  
Got to keep movin'  
Down the, down the  
Down the, down the line  
Got to keep movin', got to move
