Seize the day
And it will pay
And you can find that running stream
Multiply
Watch it fly
Near of far or in between
I love the rush
But I don't understand it much
I love it
Place your fool's bet

Chorus:

I wanna wear black 'cause it makes me feel good
I wanna be brave 'cause I know that I should
And I wanna feel good about you
Whoa...
I wanna feel good
Good about you

Spin the wheel
It's never real
And life is like a movie scene
Cast away
Learn to play
Like the cat who got the cream

I love the rush
But I don't understand it much
I love it
Place your fool's bet

(chorus)

Sometimes your luck runs dry (runs dry)
No matter how hard you try (you try)
Can't seem to hit that winning streak
You're changing over so fast (so fast)
The future's already past (has past)
Not every rose you smell is sweet

The queen of hearts is my lucky card

Are you my king?
Or just another joker in the pack?
You changed everything

(chorus)
