Hey Jude, don't make it bad, take a sad song and make it better

Remember to let her in your heart then you can start to make it better

Hey Jude, don't be afraid, you were made, made to go out and get her

The minute you let her under your skin, then you'll begin to make it better

Any time you feel the pain, Hey Jude, refrain, don't carry the world upon

Your shoulder, for you know that it's a fool who plays it cool by makin

The world, a little bit colder

Hey Jude, don't let me down, you found her, now go on out and get her

But remember, to let her in your heart, then you can start to make it better

So let it out and let it in, Hey Jude, begin, you waited for someone to perform with

And don't you know that it's just you, Hey Jude, you do, the movements you need is

On your shoulder

Hey Jude, don't make it bad, take a sad song and make it better , just remember

To let her under your skin, then you'll begin to make it better

Ow! Ow! Hey Jude! Ow! Hey, Hey! Yeah! It's gonna be alright!

Hey, Jude, Jude, you'll be alright, Hey Hey Hey Hey

You'll be alright Jude, Heeey, Heeey, Heeey, It's got-ta, it's got-ta, it's got-ta

Yeah, Hey Jude! (Na, na,na, na, na, na, na, na, na,
