(Come on, come, come on, let him be your boy
Come on, let him be your boy)

Baby come on & let me be your boy again
I'm sorry I did the little things I shouldn't do
Come on & let me be your boy
Come on & let me be your boy
Hear the angels say you'll let me be your boy

Baby come on & let me be your lovin' boy
The things I did I'll never do again
Come on & let me be your boy
Come on & let me be your boy
Hear the angels say you'll let me be your boy

Don't you hear the angels moanin'
Don't you hear the angels groanin'
Don't you hear the angels prayin'
Don't you hear the angels singin'
(Come on, come, come on, let him be your boy)

(instrumental)

Come on & let me be your boy
Come on & let me be your boy
Hear the angels say you'll let me be your boy

(Don't you hear the angels moanin') & they're moanin'
(Don't you hear the angels groanin') & they're groanin'
(Don't you hear the angels prayin') & they're prayin'
(Don't you hear the angels singin')
(repeat & fade):
(Don't you hear the angels moanin'
Don't you hear the angels groanin'
Don't you hear the angels prayin'
Don't you hear the angels singin')
