I want a brand new toy
Cos this one is broken
I want a brand new toy
This one is choking
If they catch your skin
Elevator goes down
You are my favourite sin
In your river I drown
Hey girl what you're doin' tonight
Should I come over and break your heart...
All over this town
My reputation has failed
But if you carry a cross now baby
I guess you're gonna get nailed
I get a knife through my heart
Every time I feel your sweet caress
I'm on my knees to the blessed virgin
Every time that you lift your dress
Hey girl what you're doin' tonight
Should I come over and break your heart...
I want a brand new toy

If they catch your skin

Elevator goes down

You are my favourite sin

In your river I drown

Hey girl what you're doin' tonight

Should I come over and break your heart...

I'll be your brand new toy

I want a brand new toy

You'll be my brand new toy
