Everybody knows that girls are stupid  
Everybody knows that girls are stupid  
Everybody knows that girls are evil  
Everybody knows that girls are the devil  
Falling in love with boys  
who make you wanna cry  
Falling in love with boys  
who make you wanna die  
By your own hand  
Everybody knows that boys are stupid  
Everybody knows that boys are stupid  
Everybody knows that boys are witches  
Everybody knows that boys are bitches  
Falling in love with girls  
who make you wanna cry  
Falling in love with girls  
who make you wanna die  
By your own hand  
I try to tell you but you don't understand  
You've got my entire life in your hands  
I try to tell you but you just don't stop

Why don't you just

fuck off
