I used to have a heart

I used to have a soul

I used to have an identity

'Till you took control

Maybe my mind was twisted

Maybe my backbone snapped

For the twenty five days of

Hell that i sat in your lap

[pre chorus]

I don't care for your reasons

You left me bleeding on the dance-floor

[chorus]

Now I'm in love with a monster of the new wave

This is hotter than hell

I must be going blind

And you've got to choose

Are you jsut a parasite?

Life is cruel enough

Without cruel words

And everything you say

Just leaves me dead
