I feel so dirty when you tie me up  
in black ribbons-robotic seduction  
i feel so mighty when you scream my name  
??  
you gave me a broken back  
before you even gave me your name  
and now im nailed to your bedroom wall  
ive only got my self to blame for this  
Pink scab  
scab  
you drive me crazy drive me outta my head  
when you scratch me with those tiny fingers  
and late at night when you're alone in your bed  
is it me that you think of? (when you..)  
you gave me a broken back  
before you even gave me your name  
and now im nailed to your bedroom wall  
ive only got my self to blame for this  
Pink scab  
scab
