You knock me down,
You shut me out.
You couldn't let it go (let it go for me)

With a cold heart, a wicked stare.
You wouldn't let it go (let it go for me)

Look what you've done
Look what you've done

Take what you gave
These might be the last words that I say
Time for goodbyes, end of story
Throw this old book away

Seat for less the games
ruthless games
You couldn't let it go (let it go for me)
Took me for granted with no shame
You wouldn't let it go (let it go for me)
I try to stay focussed, try to stay strong
Always attempting to right your wrongs
but my grip is slipping with each passing day
There's only one thing I could say

Look what you've done
Look what you've done

Take what you gave
These might be the last words that I say
Time for goodbyes, end of story
Throw this old broken away

Do you care that I'm alone
Left to choke on misery
Look at what's become of me

Do you care that I'm afraid
It remains a mystery
Look at what you've done to me
Oh

Take what you gave
These might be the last words that I say
Time for goodbyes, end of story
Throw this old broken away
thwow this old broken away
