We ready  
We ready  
We ready  
For y'all  
We ready  
We ready  
We ready  
For y'all

Ain't no question 'bout, who the best  
Macy gon' lay the track and Archie come to do the rest  
Step in the way, multiple shots are goin' through your chest  
You must have called Pastor Troy 'cause boy, you is blessed  
And I'ma take him out the game y'all

It ain't no thang y'all  
You wanna buck I'll rip you up like a chainsaw  
The game's raw, boy, please believe it  
Keep your bible with you 'cause you gonna be needin'  
Jesus  
Findin'' for chart-toppin' hits

And Archie ain't gonna stop droppin' shit  
I'ma make a million dollars then stand on the top of it  
Rockin' it, until the day I die in this game  
Archie with the Phat Boy addin' the fire to the fame

We ready  
We ready  
We ready  
For y'all  
We ready  
We ready  
We ready  
For y'all

A T L we 'bout that head bustin', we leave you dead  
cousin  
Whassup, huh bitch nigga, you said somethin'  
If you ready why you stumblin' to the floor, huh?

If you ready why you stutterin', "I ain't drunk"

I'ma show 'em why they call us dirty  
There is no mercy for playa haters cause he ain't  
worthy  
Heard of me then, "Hell naw" before, bet you done  
heard of me now  
Atlanta, Georgia where the dirty be found

See I done did this since my younger days  
Only 16 but my pocket's never underage  
So let's get paid, 'cause I stay ready for it, please  
And you is crazy if you think you ready for me, so who  
ready

We ready  
We ready  
We ready  
For y'all  
We ready  
We ready  
We ready  
For y'all

You ain't ready for us, 'cause you ain't ready for me  
Courtney B chop and knock a nigga down to his knees  
Stay as crunk as can be  
Who keeps it crunker than we  
Nobody that's why we comin' throwin' bows and them  
knees

See our foes and they freeze  
They be some suckas at heart  
We ready for what you bringin' so we bust ya apart  
You bustas ain't hard, stack 'em up and knockin' 'em  
down  
Another cop in the ground, boy, who stoppin' me now

Choppin' 'em down, see how quick you drop to the  
ground  
Playin' to be raw with ya ball likes to knock you around  
I done twisted up the game, there's a knot in it now  
And if you didn't see it comin', Phat Boy lockin' it down

We ready  
We ready  
We ready  
For y'all  
We ready  
We ready  
We ready

For y'all
