When I think of all the things you've done for me
It brings a smile to my face
And so I close my eyes to suddenly see
Memories of my sweetest days, sweetest days

But I never said thank you, I never really tried
And when I think about it I just wanna cry
There are so many things that I wanna say
I would do anything to see you

Just for a day shoop
(Just for a day)
Just for a day shoop
(Just for a day)
I never meant to hurt you
I just wanna say
I would give anything to see you
Just for a day shoop
Just for a day shoop

I know I love you, I tell myself
I just didn't know how to say it

But I wonder if you hear me, when I pray at night
Sometimes I forget that you're by my side
Did you know that you were the reason I live my life
Lord, I would do anything to see you

Just for a day shoop
(Just for a day)
Just for a day shoop
(Just for a day)
I just wanna know you
(Wanna know you)
And all of your ways
(All your ways)
I would give anything to see you
Just for a day

Just for a day just for a day just for a day
Anything anything anything for you

Just for a day shoop
(Just for a day)
Just for a day shoop
(Just for a day)
I never meant to hurt you
I just wanna say
I would give anything to see you
Just for a day shoop
Just for a day shoop

Just for a day shoop
(Just for a day)
Just for a day shoop
(Just for a day)
I never meant to hurt you
I just wanna say
I would give anything to see you
Just for a day shoop
Just for a day shoop
