Sweet as he can be  
Said he's been so kind to me  
I'm not speaking of carnality  
It's a spiritual thing that set me free  
He's making love to my heart  
And it's deeper than they eye can see  
I'm here to let you know he's knocking at your door let  
him in

Let him in  
Let him in  
Let him in say  
Let him in

I love the way he talks to me  
Yes my Father even walks with me  
Said he keeps my mind in perfect peace  
Into my ear he sings a melody  
He's making love to my heart  
And it's deeper than the eye can see  
'Cause he has so much more  
Don't ignore let him in

Let him in  
Let him in  
Let him in  
Let him in  
(Open up your heart, learn to let him in )  
Let him in

Ooh, I'm so happy  
Nothing can harm me  
Open your heart please  
So he can see what is wrong  
And he can make it right let him in

Let him in  
Let him in  
(He'll solve all your problems)  
(But you've got to let him in)  
Let him in?

And he'll make love to your heart  
And it's deeper than the eye can see  
Just try him and you'll see

Let him in?  
(If you need joy)  
Let him in?  
He makes love to my heart  
Jesus make me happy  
Let him make love to your heart  
Let him in?
