Phase two [Incomprehensible]

Love rules everything around me
The dream and the money set my mind back to
contracts
Women with much back trying to trap the sac
But no way cutie you just another booby

God's much better than mad cheddar in Jamaica
Give you whatever and more paper than you could ever
scrapa
But it ain't enough when you roll with scrubs
Yo Black, what you lack is divine love

Who do you love?
(Who do you love? Who do you love?)
Are you for sure?
Who do you love?
(Who do you love? Who do you love?)
Are you for sure?

Who do you love?
(Who do you love? Who do you love?)
Are you for sure?
Who do you love?
Are you for sure?

You caught my attention but why?
Rescued my destruction in time
Requested my submission to Christ
But I gave you rebellion side
And I heard a voice say

Who do you love?
(What do I have to do)
Are you for sure?
(I'm the reason the sky is blue)

Who do you love?
(What do I have to give)
Are you for sure?
(I'm the source that you might live)

Who do you love?
(What do I have to say)
Are you for sure?
(I'm the sun that lights the day)

Who do you love?
(Is it me?)
(Is it me or)
Are you for sure?
(Nobody?)

My pride won't ever let me cry
Manhood doesn't get me by
Waging races against time
And I feel like I might lose my mind
And I heard a voice say

Who do you love?
(I said, what do I have to do)
Are you for sure?
(I'm the reason the sky is blue)

Who do you love?
(What do I have to give)
Are you for sure?
(I'm the source that you might live)

Who do you love?
(What do I have to say)
Are you for sure?
(I'm the sun that lights the day)

Who do you love?
(Is it me?)
(Is it me or)
Are you for sure?
(Nobody?)

I'm runnin', mad peeps got my rays cunnin'
Ain't it stunnin', kids out getting blunted
Now wait a minute don't you try to blame that on the
youth
What you go let them believe whatever their ears
receive

Now school 'em, what they should be learnin' is bites
And hurts of puttin' Christ first instead of fights that
hurt
Come on team, your cream is secondary
Your soul is legendary, put it back in your dictionary

Who do you love?
(What do I have to do)
Are you for sure?
(I'm the reason the sky is blue)

Who do you love?
(What do I have to give)
Are you for sure?
(I'm the source that you might live)

Who do you love?
(What do I have to say)
Are you for sure?
(I'm the sun that lights the day)

Who do you love?
(Is it me?)
(Is it me or)
Are you for sure?
(Nobody?)

Who do you love?
(What do I have to do)
Are you for sure?
(I'm the reason the sky is blue)

Who do you love?
(What do I have to give)
Are you for sure?
(I'm the source that you might live)

Who do you love?
(What do I have to say)
Are you for sure?
(I'm the sun that lights the day)

Who do you love?
(Is it me?)
(Is it me or)
Are you for sure?
(Nobody?)

Who do you love?
(What do I have to do)
Are you for sure?
(I'm the reason the sky is blue)

Who do you love?
(What do I have to give)
Are you for sure?

(I'm the source that you might live)

Who do you love?
(What do I have to say)
Are you for sure?
(I'm the sun that lights the day)

Who do you love?
(Is it me?)
(Is it me or)
Are you for sure?
(Nobody?)

Who do you love?
(Who do you love?)
Are you for sure?
(Come on, who do you love?)

Who do you love?
(Who do you love?)
Are you for sure?
(Come on now, I say)

Who do you love?
(Who do you love?)
Are you for sure?
(Come on, who do you love?)

Who do you love?
(Who do you, who do you)
Are you for sure?
(Who do you love)

Who do you love?
(I said, what do I have to do)
Are you for sure?
(I'm the reason the sky is blue)

Who do you love?
(What do I have to give)
Are you for sure?
(I'm the source that you might live)

Who do you love?
(What do I have to say)
Are you for sure?
(I'm the sun that lights the day)

Who do you love?
(Is it me?)
(Is it me or)

Are you for sure?
(Nobody?)

Who do you love?
Are you for sure?
Who do you love?
Are you for sure?

Who do you love?
Are you for sure?
Who do you love?
(Is it me?)
Are you for sure?
(Nobody)
