from "Cabin Fever", 1978, Arista Records

See her standing in the doorway  
looking like a fallen star  
Smiling like an outcast angel  
taking everything a bit too far...

(CHORUS:)

Baby if you wanna dance  
Baby if you wanna dance  
You gotta pay the band  
Baby if you wanna dance  
Baby if you wanna dance  
You gotta pay the band...

Some get older, some get wiser,  
some go under and some get by  
And, baby, your tricks worked so much  
better when you were younger,  
way back when, girl, before you  
forgot how to cry...

(CHORUS)

(BRIDGE:)

And, baby, though I've been preaching  
I ain't above reaching for you, girl  
'cause I know how lonely it gets  
in the rock-n-roll wars...

(CHORUS)
