from "Inside Moves", 1986, MSB Records

I made it through the rites of passage  
Thought I finally saw the light  
Then everyone cut their hair...  
just when I got mine right

Oh, all the weekend warriors...  
and the armies of the night  
Ah, too cool--nobody's fool...  
running with all their might

And I don't know where we're going  
Then again, I never did...

(CHORUS:)

And they gonna do what they want  
Just the way that we did  
And it's gonna be alright now  
Look out now--here come the kids...

Don't stop and think about it  
It'll do things to your mind  
'Cause Daddy's 'little girl'--out in the world--  
who knows what she'll find...

So, all you sidewalk heroes  
with your hair piled high tonight  
Ah, don't make fun, 'cause I was one, and I know  
just what you're like...

(BRIDGE:)

Ain't nothing you can do about it, baby  
Time marches on...and on  
You gotta give 'em something to remember  
something to remember when we're gone  
'cause look out--here they come  
And there's a thunder on the highway  
Tomorrow's on the run...

(CHORUS)
