Out of the door tonight...Ooooh, I leave it all
behind me
In the glow of a neon light
no wrong, no right, no way they're
gonna find me now...

Cause in your arms I'm gonna be
Somehow...it's always been the
place I meant to be...
Singing...

(CHORUS:)
...Sha la la la...Sha la la la...
in the still of the night
Sha la la la...Sha la la la...
holding on with all my might

You got a love that cuts like diamonds
--a heart as strong as steel
You've always been a dancer and
you always will...

Out on the floor tonight...Ooooh, You've got the
whole place swaying
Centerstage in the pale moonlight
no wrong, no right, no way I'm
gonna let this end...

Cause in your arms I'm gonna be
Somehow...you've always known
the way to set me free...
Singing...

(CHORUS)

(BRIDGE:)

Ooooh, I know that tonight
just might be my last taste of

your kiss
And for two hearts like us, well there
just ain't no goodbye...
So, Darling, let's just leave it at this...

(CHORUS)
