One song...one kiss  
One more night to hold you  
These are all the things I'll miss  
when darkness comes...

(CHORUS:)  
Oh these...are my terms  
of surrender  
Hey these...are my terms  
of surrender...

One smile...one touch...  
One more time around you  
All I ask is not that much  
'til darkness comes...

(BRIDGE):  
  
You know there's a moment in time  
when your heart's never felt  
quite so true...  
And you were that  
moment of mine  
That moment was you...

(CHORUS)
