Chorus:

If I could change the way I live my life today  
I wouldn't change a single thing  
'Cos if I changed my world into another place  
I wouldn't see your smiling face

Honey don't you worry, there's nothin' to worry for  
'Cos if I didn't love you I wouldn't be here now  
And if I didn't want you I would have turned around by  
now

You've got to believe me babe, believe that I love you  
so  
'Cos if I didn't love you I would have turned around  
And if I didn't want you, then I would want you out

This love, this love has filled me up  
Ooh my love I'll never give you up  
'Cos I'll always want your love

Chorus

Believing is the answer, the answer to all your fears  
When I first said I loved you, I went in for the kill  
Now when I say I love you, I mean I always will

This love, this love has filled me up  
Ooh my love I'll never give you up  
'Cos I'll always want your love

Chorus

This love, this love has filled me up  
Ooh my love I'll never give you up  
'Cos I'll always want your love
