(Honest)

I just want to be honest with you

Honestly baby you've got me down on my knees

And honey I'm sorry as sorry can be

You see it got me, my defenses were down

All I'm praying is you'll still want me around

Ooh baby

Chorus:

I wanna be honest with you

You've seen it through

But I've gotta tell you babe

I've done something wrong

I wanna be honest with you

'Bout putting you through this pain

It was only a sexual thing

So help me baby

'Cos I wanna be honest

I wanna be honest with you

Babe we've gotta stop now and take a look at ourselves

'Cos we took a good thing and ran it down to the
ground

Found myself lonely and in need of some love

But if it ain't the real thing

Well it just ain't enough

Ooh baby

Chorus

How much can I say I'm sorry?

What more can I do?

I wanna be with you

Won't you say we'll stay together

Don't you say it's gone

I wanna be with you

So baby please understand

I love you

Chorus
