Mighty love, Mighty love

Spoken:

It's once in a lifetime, and this time, it's mine

Never ever, ever gonna let you go  
'Cause I'm always gonna love you  
There's so much you haven't seen that I can show you  
But I never wanna show you  
Maybe ladies come and maybe ladies go  
(But I'll tell you) this lady's stayin'  
And if you don't want to rush it we can take it slow

Baby it's a special thing, and there's no reason to  
explain  
This is what so many long for, this is

Chorus:  
A mighty love, a mighty love  
No push or shove, we're all dreamin' of  
A mighty love, a mighty love  
It's what we want, and there can never be no other love

I swear I'll never have you ride in back, in tow  
(I swear) I'll never hurt you  
Darlin' I could never be with anyone else  
'Cause you're all I need to know  
And I won't ever let you go

Baby it's a special thing, and there's no reason to  
explain  
This is what so many long for, this is

Chorus

No one will ever know  
Maybe ladies come and maybe ladies go  
(But I'll tell you) this lady's stayin'  
And if you don't want to rush it we can take it slow

Baby it's a special thing, and there's no reason to

explain

This is what so many long for, it's

Chorus
