Yeah, check me out...

Never, never gonna give you up, baby  
Never, never gonna give you up  
Wherever I am, babe, I do, yeah  
Forever and ever, yeah, yeah, yeah, yeah  
I'll be true, yeah

I've got to keep you pleased in every way I can  
Gonna give you all of me  
As much as you can stand  
Make love to you right now, that's all I want to do

I know you need it, boy, and you know  
I need it, too  
'Cause I found what the world is searching for  
Here, ooh, right here, my dear  
I don't have to look no more  
And, oh, my babe, I hope and I pray for someone  
Just like you to make me feel the way you do

1-Never, never gonna give you up  
I'm never, ever gonna stop  
Not the way I feel about you babe,  
I just can't live without you

I'm never ever gonna quit, no  
'Cause quittin' just ain't my shtick  
I'm gonna stay right here with you  
Do all the things you want me to

Whatever you want, boy, you got it, yeah  
Whatever you need, baby, baby, baby, baby  
I don't want to see you without it, no

You've given me much more than words could ever say  
And oh, my dear, I'll be right here until my dying day  
I don't know just how to say all the things I feel  
I just know that I love you so and it gives me such a  
thrill

'Cause I found what the world has been looking for  
Here, ooh, right here, my dear  
I don't have to search no more  
And all of my days I hoped and prayed  
For someone just like you  
To make me feel the way you do  
(repeat 1, 1)
