Chorus:

Soul deep is the love I'm feeling inside  
I always rise above whenever I try  
Soul deep is the love I feel for myself  
Only I can make me feel this way  
And nobody else

See it this way when I feel down and feel dismayed  
The only option is to come to me come what may  
I can ask whoever's there whoever cares  
But it's up to me at the end of the day

I'll always try to see it my way  
I'll always see it my way

Chorus

When I'm blue it's always me who pulls me through  
Nobody else can see myself the way I do  
I'm sticking to me baby  
'Cos I'm the one who cares the most about myself  
At the end of the day

I'll always try to see it my way  
I'll always see it my way

Chorus x 2

I'll always try to see it my way  
I'll always see it my way

Chorus
