We've got it together darlin', we're ready for it
You see I'm smilin'
Hmm we've got the people talkin', they know how we
feel
And it's no big deal

And we're not playin' games and we're not playin'
lovers
We mean a lot more than that
Hear what I'm sayin' boy, let go and be my joy
I have to love you

Chorus:
You can't deny it baby, we drive each other crazy
You can't deny it, no two people ever felt this way
You can't deny it baby, we drive each other crazy
We've just got to let it out
Let it out
Let it out
Let it out

The more we're with each other, it's so exciting
And it's getting stronger
The way you touch me darlin', I've never been
Touched like that before

And we're not playin' games and we're not playin'
lovers
We mean a lot more than that
You're all I need my love, you're there to push me on
I have to love you

Chorus

We can sure let it out
We can sure let it out
We can sure let it out
We can sure let it out

And we're not playin' games and we're not playin'
lovers

We mean a lot more than that
Hear what I'm sayin' boy, let go and be my joy
I have to love you Chorus sallysally@usa.net
