Measure for measure
Your love's so much pleasure Like a haunting melody
It came inside and captured me

And I'm so happy
You're the rhythm of my life
You and I together will stand the test of time

(You know how to love me)
Sure you do
(You know how to make it right)
So nice
(You know how to love me)
There's no denying
(Sweet as morning light)

Sooner or later
I knew you'd come my way
You're welcome to my love
Just promise that you'll stay

Chorus:
You know how to love me...Right
In a special way
You know how to love me...Tonight
And I wanna say
You know how to love me
You're the real that I feel never go away

Seeing's believin'
Don't you know you're a dream come true
Ain't nothin' deceivin''bout the way that I'm lovin' you

(You know how to love me) You know, you know
(You know how to make it right)
I can feel it
(You know how to love me)
No doubt about it
(Sweet as morning light)

Nothing's forever

That's what people say
But each time that we're together
Forever and a day

Chorus
